

Do you like organic local food?

If so, **White Buffalo organic farm** located in Paonia, Colorado (about 30 miles away) will be delivering **CSA boxes** (community supported agriculture) to Gothic this summer every Thursday afternoon. Each box contains one dozen organic cage-free chicken eggs, 10-15 varieties of seasonal fruits and vegetables, and each week there is some other special goodie like honey, jam, bread, oats...

Boxes cost \$35 for students or \$40 for non- students.

Each week when you pick up your new box, return your old so we may reuse them.

First delivery will be on Thursday, June 17.

Boxes will be placed next to the mail boxes in the office.
