Submit Research Applications and Annual Updates

Submit a Field Work and/or Housing Request

Select 'Annual research plan update'.

A screenshot of the RMBL application form. The title "RMBL" is at the top. Below it is the heading "Submit a Research Application". Under "Application Type", there are two radio button options: "New/Renewal Research Application" and "Annual Research Plan Update*", which is selected and circled in orange. A note below reads: "* For current and approved research plans, this is where you provide annual updates for your project". A "Next" button is at the bottom right. Below the form, a table shows project details for Jennifer Reithel, Principal Investigator, created on 3/4/2021 5:36 AM. A "Submit R" button is partially visible at the bottom right.

Submit R

Next, select which project you want to submit an annual update. Most people only have one project. If you have more than one, you should do the annual update for each project, as there may be different funding/citations/billing for different projects.
